Job Opportunities

EXTENSION PROGRAM SPECIALIST - ENVIRONMENTAL QUALITY

The Texas Cooperative Extension seeks an individual to coordinate among EPA Region VI (TX, NM, OK, AR, LA), USDA-CREES, Cooperative Extension Services, and other USDA, agricultural, and water quality agencies. MS in agriculture, environmental science, or related field required; PhD desired. Water quality knowledge and experience in cooperative extension or environmental education programs required. Position is based in Dallas; considerable travel involved. For more information, visit <http://greatjobs.tamu.edu>.

STAFF HYDROGEOLOGIST

Pacific Groundwater Group (PGG) seeks a hydrogeologist with background in groundwater flow and contaminant transport. Candidate must have MS in relevant field, communication and organization skills, self-initiation, and the ability to discern what is important. PGG is a small, innovative, highly technical consulting firm with public and private clients primarily in Washington and Oregon. For complete job description and application information, visit www.pgwg.com.

**Southwest Hydrology offers one column inch (65 words)
of ad space without charge for job openings.
Additional space is available for \$70 per inch.**
